- RESIDENTIAL : ACCESS TO LIFESTYLE

Superbly located in the heart of Charlestown

Just 10km from Newcastle, Charlestown is regarded as the region’s commercial and retail centre and hosts the area’s largest shopping and entertainment precinct, Charlestown Square. Well-resourced in all levels of education campuses, medical practices, private hospitals and specialists, it’s also the transport hub linking Lake Macquarie and Newcastle LGA’s.

The locals love living in Charlestown, many choosing to stay here for generations. With pristine beaches and National Parks at your fingertips, it’s easy to harness the benefits of nature every day. Take yourself off at lunchtime and walk some of the Great North Walk’s Yuelarbah Track or spend the day at Glenrock State Conservation Area – the last surviving pocket of coastal rainforest in the region. Cyclists can explore Glenrock’s famous scenic mountain bike trails or use the beautiful Fernleigh Track to commute to and from Newcastle.

Day or night, Macquarie Tower places you in the centre of local culinary action. Whether its accoladed eateries to artisan coffee houses, cinemas or bowling clubs everything is at your doorstep.

- GWH : BUILDING FOR LIFE

Meet your developer and builder

Macquarie Tower is proudly brought to you by GWH, Newcastle’s leading independent residential, commercial, and industrial property builder and developer. The local experts in our region GWH have completed over 640 homes in the past five years and \$1 billion of completed projects over their 25 year history.

In 2020 they were Winner of Master Builders ‘Apartment Development of the Year’ for AERO and also finished in the top three at NSW Safe Work Awards and won the Hunter Safety Awards – Most Innovative WHS Idea (SME). Most recently they’ve completed the regions tallest buildings ‘SKY Residences’ and Highpoint Apartments.

They have a strong reputation for turning possibilities into reality by delivering on-time, high-quality projects that exceed Australian Standards. Thanks to unparalleled integrated partnerships with The Hunter Construction Group, they have complete project transparency. Thus enabling them to view, manage, streamline, and control their projects from beginning to end, and this is where they are without equal.

GWH Build have obtained all information in this document from sources we believe to be reliable; however, This document was produced prior to commencement of construction. The pictures showing the interiors of the apartments and buildings are indicative only. Changes may be made during the development and any dimensions, finishes and specifications are subject to change without notice.
